

## Getting Immediate Access to the Home Based Affiliate Opportunity!

When you sign up as an Affiliate, you will be prompted to activate the Professionally Customized Website that has a complete flash video presentation. Therefore, by simply advertising your personalized web site ([see example](#)), your web site can sell the Global Resorts Membership without even talking to your buyers. There is no set up fee for your web site and it only costs \$100 a year to host it.

Once you complete your application to become an Affiliate and take care of the \$100 web hosting fee, you will be automatically eligible for the exact same [Pay Plan](#) available to paid members, after your activating sale.

With the free affiliate program, your first sale is an activating sale that rolls up to your sponsor as per the pay plan, and activates you into the pay plan. With your second sale you qualify your first level commissions.

In addition, with your second sale you will also get an additional web site for free that will allow you to build a sales team under you. If you have seen the pay plan, you will realize that this is where the big dollars are made . . . from the efforts of your sales team. Now that your first level is qualified, you will earn all due commissions and residual pay per the Pay Plan above.

Your full time sales commission structure is based upon your first sale. If you sell a Gold Membership (\$1,495) as your first sale, you will ALWAYS only be paid according to the Gold Pay scale, even when you sell a Platinum Membership. If you sell a Platinum Membership on your first sale (\$2,995), you will permanently be set up on the higher pay scale forever.
